Configure the interior space to have storage compartments with the following specification or equivalent

170 & 170Ext Exxpand HVAC Package
SOHAV02-S

The base shelving for a 170" WB Sprinter is the starting point for any professional contractor. It offers plenty of storage and includes two shelves with S-boxxes, which are great for sorting and organizing small to medium size items. This base shelving package has also been upgraded with a HVAC vocational package which includes a lift flap, dividers, M-boxxes, a Freon Tank Rack, and end panel accessories.
